Product Description

STIHL RMA 460 Cordless Electric Lawn Mower

Features

- 19-inch Steel Mowing Deck
- Convenient Handle
- Brushless Motor
- Multiple Storage Options

The STIHL RMA 460 is the first lawn mower in the AK System, rounding out a full line of products to complete tasks around the lawn. This lawn mower is compatible with the AK 20 or AK 30 battery, providing homeowners with performance options based on yard size. With a 19" steel mowing deck, the RMA 460 is highly maneuverable for quick and efficient grass cutting with each pass. Mow the length of 14 football fields* On A Single Charge™ with its 15.85-gallon grass catcher—allowing for more grass cutting and less stopping. The RMA 460 is great for small to midsize yards—under a half-acre—and can also be used as a mulching mower.

*Mow up to 4,390 linear feet with the AK 30 battery on a single charge. The usage claim was tested and verified by an independent third-party test laboratory. Run time per charge may vary depending on usage and application.
